

Welcome home!

You've just arrived at the family table.

A place where friends, family and strangers come together to relax and enjoy the flavours and comfort of home.

At our table, you will share in a long history of memories and tradition that began in a little bakery just outside of Tel Aviv, Israel many years ago.

Our family has continued to provide nourishing meals and warm service ever since, opening the first Shenkin in 2007. Each dish is made with love and local produce - paired with a cup of our signature coffee blend, your soul will be satisfied.

*Enjoy!
